All too often we forget to commemorate the diligent efforts and endeavors of the "men behind the scenes", those who contribute long hard hours to Bergenfield High's scheduling and programming tasks, as well as a multitude of various other facts which make for a well rounded high school education.

"Go—Bears—Go."

Throughout the game their presence is known and appreciated. For the team it is a chant of loyalty that urges them on.

Giving their support this year are Varsity Cheerleaders: J. Lombard, S. Wagner, L. Maugeri, L. Thomson, M. Gallione, T. Wells, D. DeWitt, M. Salveson, M. O'Boyle, and J. Solomon. This year's team captain is Gina Florio and co-captain Lynn Sullivan. C. Franks is this year's coach.

In keeping up with their past record, Bergenfield's Bears have a good head start on the season. Coach Robert Taglieri states, "We have a great bunch of kids who are working hard, and if that's a measure of success than we are going to be successful!"

This year's offensive co-captains are Vinny DeMarinis, linebacker, and tight end Tom Riley. Of the team, Vinny DeMarinis states, "We have a good solid offense and should have a good season."

Junior quarterback, Tom McNulty, will command the offense with team captain Brian Wexler at halfback, and juniors Greg Butler, Joe Green, Barry Kessler, Steve Wellington, and sophomore Mike Frisina all striving for superiority for at fullback position. The wide receivers are juniors Joe Boselli, Bill Kocher, and Jose Zambrano.

The defense unit will be co-captained by seniors Terry Hayes and Paul Victory, who will be playing the tackle and cornerback positions. States Paul Victory, "Our defense is the same as last year's but much quicker."

In sizing up the competition, captain Brian Wexler remarked, "The team has a lot of talent and experience so we should have a pretty good shot at the title."

Adding to that, Coach Taglieri stated, "Our senior players are strong on the leadership and ability, while our juniors are exceptional on workload."

So from here on out it's, "Go—Bears—Go!"

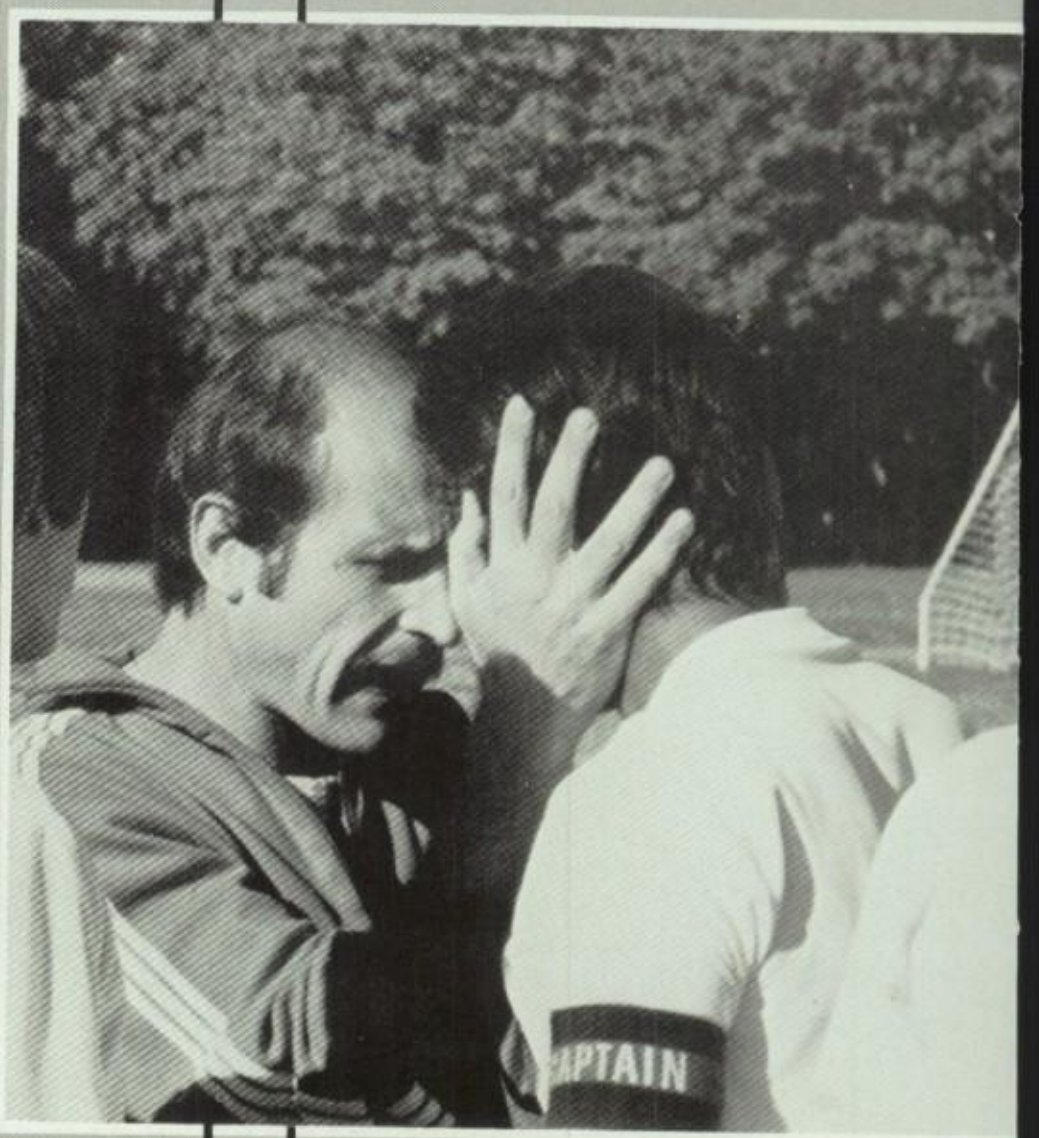
# SOCCER



Since it's introduction to Bergenfield High in 1943, Bergenfield's Varsity Soccer team has had only one winning season. This perhaps was due to the students lack of interest in the sport. It would seem that with the competition of all Bergenfield High's other more well known sports (Football, Field Hockey, Softball, etc.) that Soccer had become a less popular sport. This year however, more team members have been signed up for Soccer and perhaps Bergenfield High can revive a dying sport.

This year the Varsity Soccer Team's coach is G. Fatovic. The team captain is Alvaro Figveroa with Vincent LaRocce acting as co-captain. The team members are: X. Alevear, R. Aubin, A. Bozinos, G. Cain, E. Campbell, D. Desposito, J. Jordan, J. Joyce, I. Landazuri, A. Libas, H. Monroy, D. Paidoussis, B. Polizzanno, V. Saparito, G. Schulman, M. Sonderland, N. Stock, K. Sullivan, P. White, D. # CROSS COUNTRY

With John Kirchoff as the Bears' Cross Country number one runner, Coach Ralph Clark expects his team to better last years 5—5 meet record. The Varsity now is 5—3 after topping Fair Lawn 41—18.

The Coach is also enthusiastic about John Eberle who he describes as, "A very good second man."

New to Bergenfield's sports activities is the Girl's Cross Country Team. In Previous years there have only been two or three girls who have come out for cross country. This year is the first year for a full squad.

The seven members are: Patricia Greene, Theresa Malespina, Eileen Healy, Marilyn Triventi, Jean Porcell, Valerie Gerkin and Deborah Rotondaro.

Although the girls are inexperienced in two-mile competition, Mr. Clark feels that they did fairly well in the Ridgewood Cross Country Invitational, when the team finished near the middle of the team competition.

In summing up the Bear's Cross Country track teams, the future promises to be a very successful year.

Bergenfield High School's Girl's Field Hockey Team has once again made a name for itself. It would seem that field hockey has had a grip on success ever since the sport began six years ago. The team's coach, Eileen Cassidy, has coached Field Hockey at Bergenfield High for five years. Of the team she says; "The girls have really made a name for themselves. In the three years since the NNJIL made hockey a league sport . . . We haven't finished worse than third and we've always been in the state tournament.

The girls battled to the second round of the states this year. The team owes a lot of its success to senior Mary Santo. Her qualifications are top notch. She played left halfback, made the "all state" team on the defensive position and earned her second unanimous all league selection. "She's the first girl ever at BHS to receive so high an honor" stated Miss Cassidy.

Playing fullback position is senior Sara Burton. Jennifer DeFalco is the team's goalie. Another good team member is Dorothy Bauman.

Having a good shot at the "all-state" player next year is team member Jean Dickson.

Adding to the team are: L. Rolaf, N. Sheldon, N. Katsapis, A. Heady, M. Triola, E. Allen, M. Josephson, J. Solomon, D. Seele, and F. Mitchell.

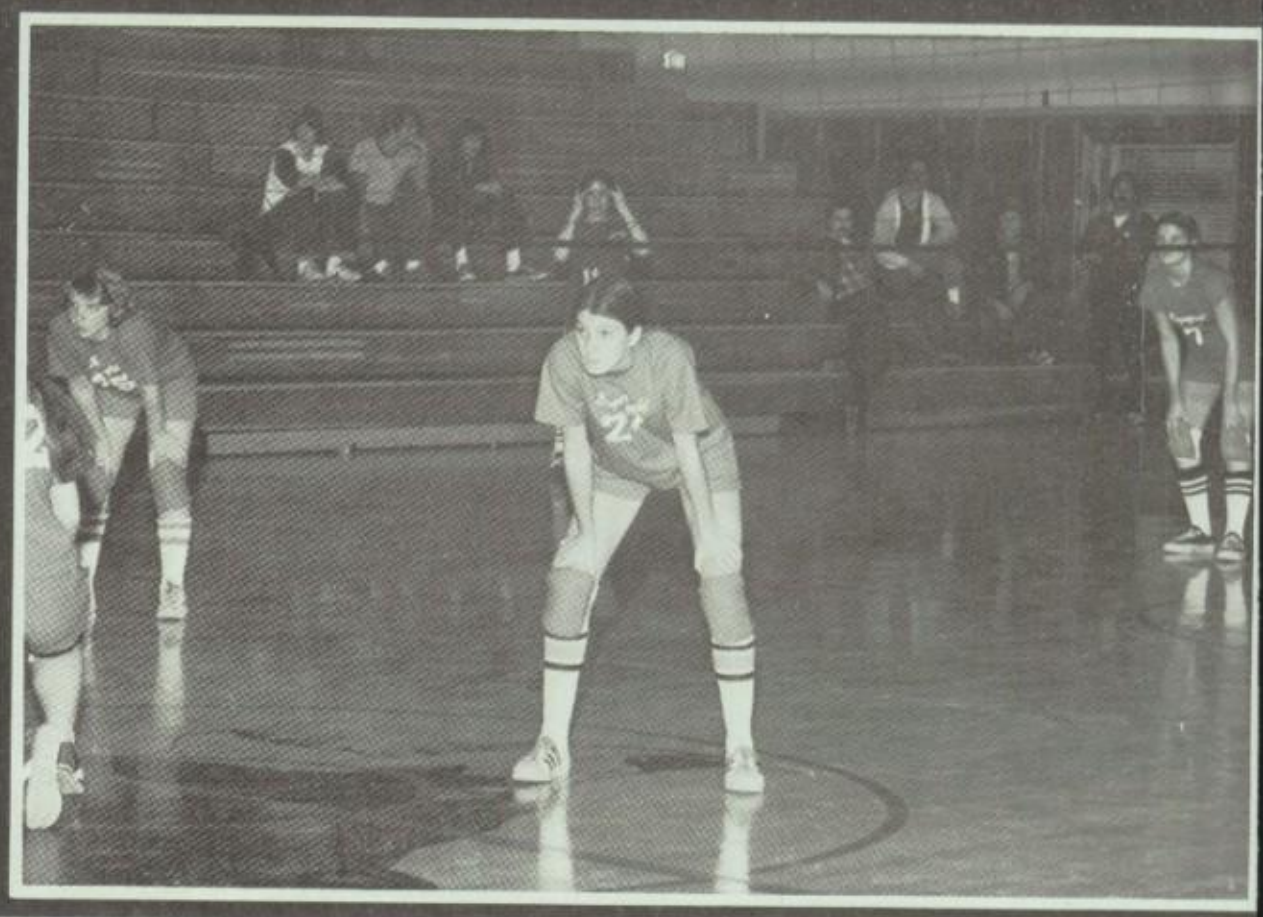
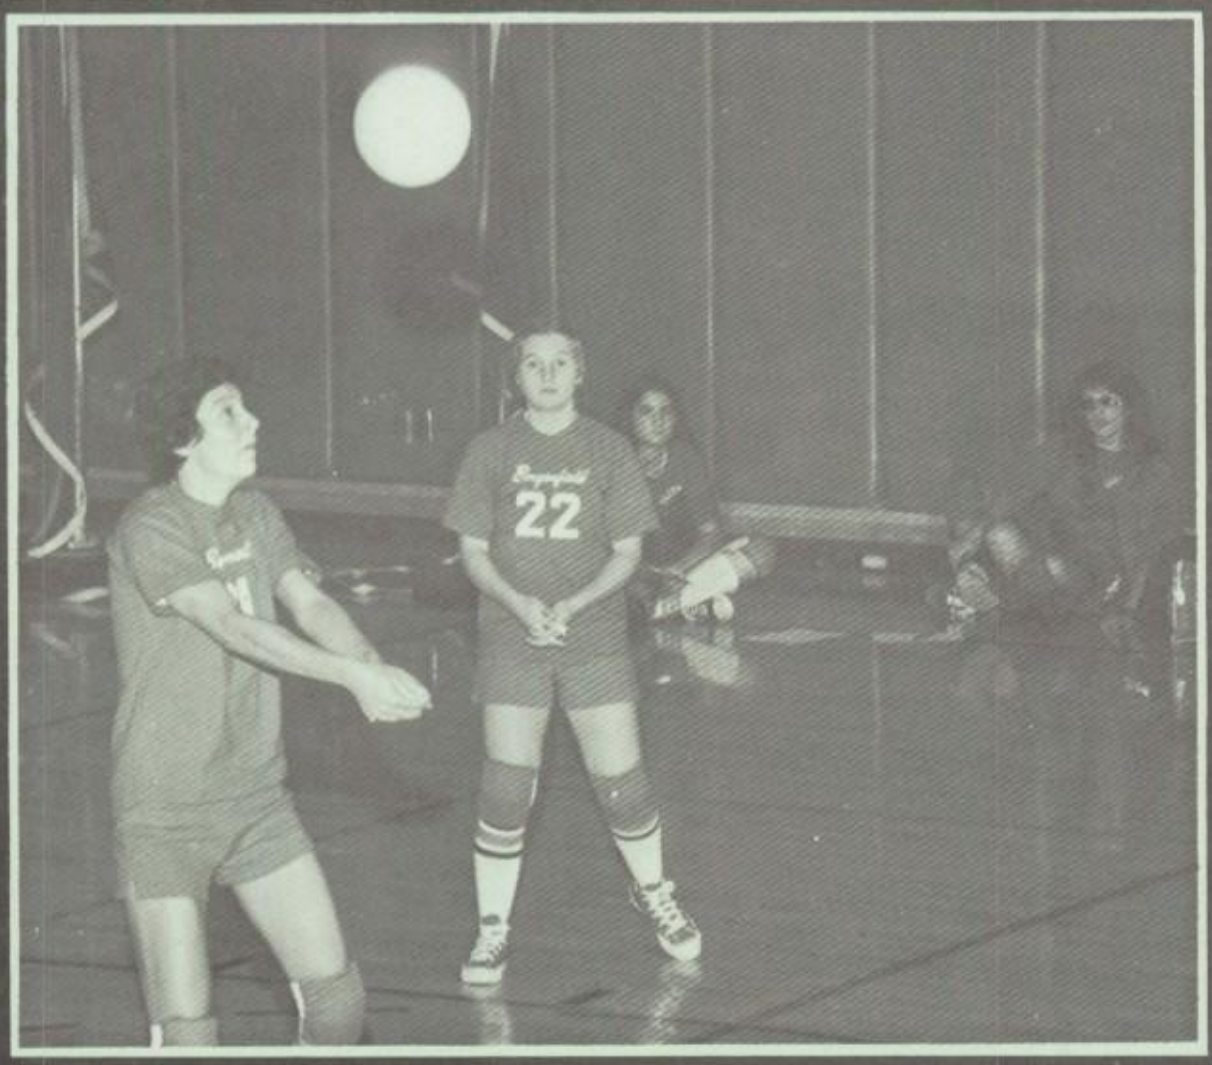
# VOLLEYBALL





Under the direction of the new head coach Ms. Carol Franks, the Bergenfield High School Girl's Volleyball team completed its 1976 season with a 7—5 record. The team finished in second place in the Northern New Jersey Interscholastic League.

The team was led by seniors Bette Tintle and Debbie Leopold, along with returning varsity members Kathy Amoroso and Mary Ann Hogdahl. Due to its successful season, the team became eligible for tournament competition, but as a result of a scheduling error was unable to participate.

Rounding off the remainder of the team were Kathy Kelly, Cheryl Burnett, Renee Anderson and Jamie Kulin.

When asked about the team's success, Kathy Amoroso commented, "We had an evenly balanced team that got along well and played well together."

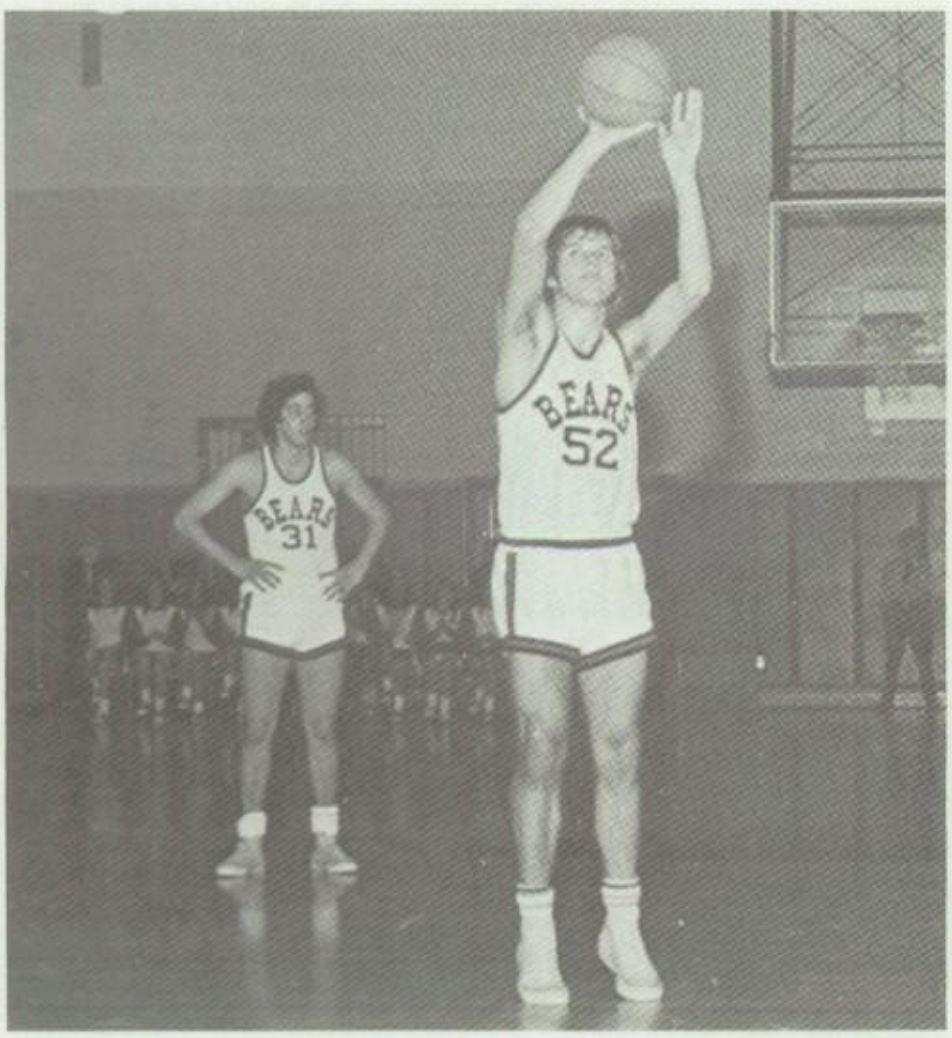
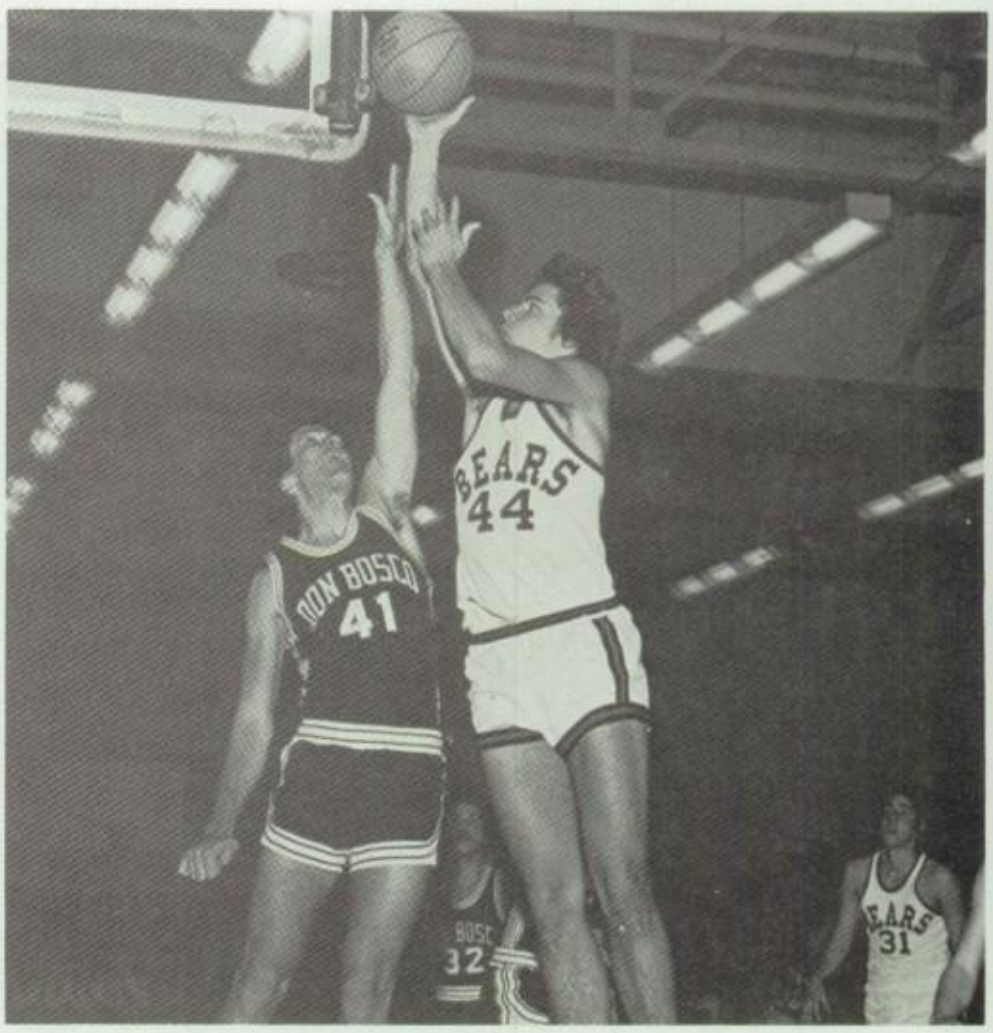
"Due to our large number of seniors we have a good, experienced squad. Because of this experience they pick up easier and I'm satisfied with their progress" stated Coach Clifford Culuko.





Led by returning varsity lettermen Rich Di Benedetton, Dave Walsh and John Canavan, all seniors, the 1976—77 Boys' Varsity Basketball Team is predicted to be the best in Bergen County. Bob Schmaltz, Jerry Mennona, or Randy Odenbrett, also seniors, complete the starting positions.

Not done in previous years, this year the Girl's Basketball team consisted of three separate teams; Freshman, Junior Varsity and Varsity. This is due to the overwhelming response of the girls to sign up for the activity.

Placing third in last year's competition, Bergenfield High School's Girl's Basketball Teams all hope to place first in the competition this year. And based on the teams enthusiasm and response that should not be too hard for them to accomplish.

Bergenfield High School's Wrestling Team looks in good shape as coach Mr. Turnammian states, "We have a lot of good returning seniors this year, and we hope to do well following Bergenfield's Wrestling Team's tradition." Last year the team showed good form as they placed third in the championship.

The team has three good proven wrestlers, John Magaroci, Antonio Francica and John Hurley. Mr. Turnammian hopes these three will lead off to an eventful, winning season.

Because it is not held in any school gym or field, bowling is a sport which is not usually thought of as being played by High School students. It is, however, played with all the enthusiasm and determination of any other sport offered at Bergenfield High.

This year as always Bergenfield's Bowling Team hopes to capture the NNJIL championship. The team's form looks good and they have a good shot at the title.

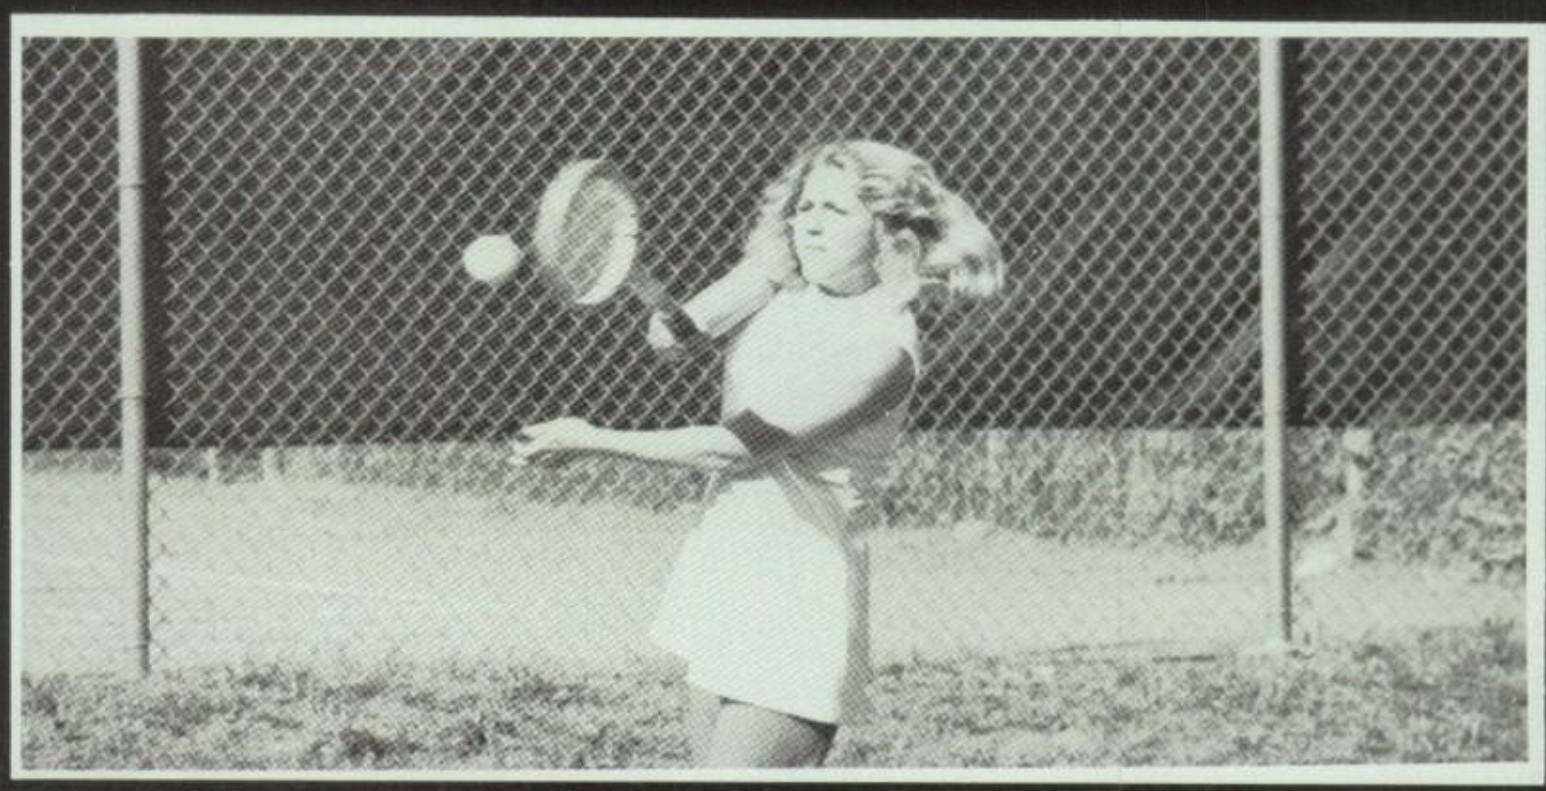
# GIRLS' TENNIS



The art of Tennis has long been recognized as a competitive graceful sport. Tennis is a sport which unlike most is relaxing to watch.

The Girl's Varsity Tennis Team has had a big sign-up this year. R. W. Medlar is this year's coach. Sue DeAngelo is captain for the team. Team members: M. Salmon, L. Davino, S. Aschenbrand, S. Sachs, N. Alfis, M. DiMaggio, S. Baer, L. Parnagian, M. Chartoff, K. Groark, P. Korzelius, A. Fedyna, T. Clemenza, G. Castro, P. Duffy, and J. Wiaz all hope for a successful year.

# In a Nutshell . . .

Bergenfield High School's Marching Band has once again been named as one of the top ten bands in New Jersey by the New Jersey Music Educator's Association. This is quite an honor for the band in considering all the competition that they were against. The band will participate in the State Marching Band Festival which features all the top ten bands from Jersey. The festival is scheduled to be held in Piscataway on Sunday, Oct. 17.

On Oct. 12, the band will also participate in the annual Herald News Band Festival at Clifton Stadium. This will mark the 25th consecutive year in the festival for the band. They will also be performing in all the home and away football games.

Following the Bergenfield tradition, the band's opening number will be, "Rule Britannia" followed by an exciting contemporary march entitled "Conquest". An old American folk song, "When Johnny Comes Marching Home" and John Phillip Sousa's well renowned, "Stars and Stripes Forever," will serve as the color presentation and bring the first half of the show to a close. The remainder of the show will contain familiar tunes from broadway shows.

This year's marching band has already proven to be just as good as those in the past. Perhaps, this is due to the members constant participation and enthusiasm involving their part in the band. Whatever the reason, the band is one that Bergenfield High is proud to call their own.

A tradition for nearly every school is the annual pep-rally. A night dedicated for students to show their pride in their teams. At Bergenfield High there is no exception. Students show their own team spirit as the night is filled with enthusiasm and hope for the new teams. Every student wishes the Bear's luck and is confident that they will play as successfully as they have done in previous years.

Who ever said that Halloween was for the very young should have taken a glance as the students proved that Halloween is for the young at heart. Many students supported Halloween as they paraded around the halls in strange and unique costumes. Different and original ideas were expressed through each costume. Dressing up for Halloween has become more or less a tradition at Bergenfield High as each student tries to outdo the next. So the next time someone tries to tell you that Halloween is for the very young; just tell them to take a look in Bergenfield High, the results should be shocking .....

Linda

You are a pain in the ass alot of the time, but I love you so much, that, I don't give a shit. So please let's not fight. I admit I am a shitty boy freend sometimes but I don't mean it or do it on purpose. So try to understand me even though I am childish at times, but I'll grow up In time. I'll always trust you and I hope you trust me cause you always tell me how you don't love me and how you say you don't care and how you'll go somewhere else cause you're a beautiful girl and I'm sure you've had a million chances. Mostly I worry cause I know I'm not that great looking and I could never get better than you in a million years. I hope we don't fight while I'm a school this year cause I'll try and get home every chance I get. Don't worry about me cheating ever cause I'll always pass it up cause none of them compare to you in any way. I've been trying to change a little lately and Ive been having a good →

time lately. Of course I'll still want my freinds and will always like to go out and drink but don't ever think I'm putting you second to my freinds cause I don't. I hope you have the greatest time of your life in senior year. I know success will always follow you too cause If you can't get by on brains you're great looks will always get you by.

Best wishes and best of luck to you.

Love always and all ways

Kathy
